We understand and agree to the following:

- ! we have received, read, and agree to the practices and policies of the wedding booklet.
- ! wedding dates may be tentatively reserved on the church calendar only AFTER this application form is received and after the couple has met for the first session with the minister. An appointment may be scheduled with the minister AFTER you have returned the application.
- ! the marriage license is due at the rehearsal. The rehearsal will take place only after the minister has received the marriage license.
- ! fees are due at the rehearsal.
- ! Non-members: we agree to attend at least three worship services prior to the wedding and to be available to meet with the Pastor in early or mid-afternoons.
- ! A wedding at South Church is a Christian service of worship. The minister assumes that you have a personal faith in God and have reasons for wanting to be married in a Community of Faith. If that is not the case, you would feel more comfortable seeking a wedding in a non-church setting.
- ! the couple will promise "*till death do us part.*" The minister will officiate at weddings only where the couple promises one another that their marriage is to be a permanent relationship.
